

The Book of Revelation

Saturday, August 14

9 am to noon

Davidson College Presbyterian Congregation House

Led by Dr. James ‘Mickey’ Efirm

If you are feeling left behind, this study helps separate fiction from Revelation truth. This compelling study dispels the myths about end times and reclaims the hope for all Christians found in this most misunderstood book of the Bible.

Dr. James “Mickey” Efirm is Professor Emeritus at Duke Divinity School, having taught thousands of seminarians Greek and Biblical studies. Most say Mickey is their favorite Bible teacher, combining the knowledge of a scholar with communications skills that make his teaching easy to understand.

**The book of Revelation is the study for
Presbyterian Women for 2010-2011 but all
adults will find this seminar helpful and
insightful. All are welcome!**

**Cost is \$5 per person and \$5 for childcare—
