

**ADDRESS FOR BLANCHARD COMPOUND:**

Eglise Chretienne Terre Noir  
Barriera-ser  
Rue David #48  
LaPlain, Haiti

**Haiti Local Phone Number: 3719-2414 (Stephen's number at Blanchard)**

**Your arrival will be like this.**

Your luggage is dumped in a pile with hundreds of other people's luggage sp

**PLEASE have your team members follow the steps below.**

**LUGGAGE**

**ALL LUGGAGE must HAVE some sort of marker that MATCHES.**

**Each piece of luggage which your team brings must be marked in this way.**

We recommend bright colored ribbon—polka dot or a striped pattern.

**Exiting Baggage Claim:**

Once your team has found all their luggage and make it through baggage claim

**Do NOT EXIT THE GATE! We will find YOU.**

**Team leader/team member must hold up a bright green piece of paper.**

**No writing is needed. Once we see the green paper we will get you out of the gate area.**

The reason for this is if you leave the gated area people will try to help you and then expect a tip. And this has caused lots of problems.

**MOSQUITO NETS**

If your team wants to bring mosquito nets go to Academy Sports and get the \$8.00 (Timber Creek) canopy that is square cut at the top which hangs PERFECT on the bunks.

Pop up tents are not practical and not affordable. HOM has some mosquito nets on site.

**Gift Shop**

There is a very new gift shop at Blanchard that will open for teams. Please plan to visit the shop before you leave. Stephen will help you with the times the shop is open. Enjoy shopping!!

**MEDICAL TEAMS**

**Team leaders PLEASE HAVE ALL LICENED MEDICAL STAFF GIVE YOU A COPY OF THEIR LICENSE BEFORE DEPARTURE.** You will want to put this with all your other important copies. You might want to ask them to put an extra in their luggage. Just make sure the team leader has a copy. The copies of the licenses will be kept in the lock box on site. If the licenses are needed the staff will have them on hand.
