

Hearts *for* Hunger

National & International Hunger Relief

We're Hungry For Your Church's Help!

Hearts for Hunger, a fund created by the Presbytery of Charlotte's Hunger Action Work Group, provides domestic and international hunger relief grants to mission programs of our Presbytery of Charlotte churches.

In response to a need identified by many of our churches, *Hearts for Hunger* provides funding for mission programs *outside* the bounds of our presbytery, serving as a compliment to the *5 Cents-A-Meal* program which meets *local* hunger relief needs.

Consider what *your church* can do to contribute:

- Ask your church to make a one time offering to help get this program off the ground.
- Consider contributing your Souper Bowl Sunday donations to Hearts for Hunger.
- Organize groups of volunteers to do household projects or yard work around the neighborhood, and as payment, recipients of such services may make donations to Hearts for Hunger.

The possibilities are endless!
