

**GUIDELINES FOR THE COMMISSIONING OF LOCAL PASTORS
TO PARTICULAR PASTORAL SERVICE
THE PRESBYTERY OF CHARLOTTE**

The purpose of these guidelines is to describe minimum requirements for the commissioning of local pastors as well as the education and supervision of commissioned local pastors (CLPs) serving within the bounds of the Presbytery of Charlotte. The Committee on Ministry of Charlotte Presbytery shall administer the Commissioned Local Pastor program.

THE COMMISSIONED LOCAL PASTORS (CLP) PROGRAM

Purpose:

The Presbytery of Charlotte establishes the Commissioned Local Pastor Program as a further means of fulfilling its commitment to see that all churches within the bounds have the best possible leadership in the areas of worship and preaching. This leadership is best provided when pulpits are filled with Ministers. When this is not possible, one way of seeking to meet this need will be through the Commissioned Local Pastor Program. The BOOK OF ORDER (G-2.1001) establishes criteria for the equipping of elders for their commissioning to particular pastoral service and their ongoing accountability to a Presbytery.

Process for Commissioning:

An Elder wishing to be commissioned as a CLP shall make application through his/her respective session to the COM of Charlotte Presbytery. The form for this application shall be provided by the Presbytery. The CLP shall be supervised by the Presbytery through its COM. This supervision will include a Minister as the COM liaison to the Particular Pastoral Service. The COM, having satisfied itself regarding the validity of the request, shall supervise the preparation and examination of the Elder. Upon successful completion of the required courses and examination by COM, the individual will be recognized as a Qualified Elder eligible for commissioning. When the COM identifies a particular pastoral need which could be met by this Qualified Elder, the COM shall present the individual to the Presbytery for commissioning to a particular pastoral service as outlined in the 2017-2019 Book of Order. (G-2.1002)

Who May Be Commissioned:

Charlotte Presbytery will accept applications to participate in the Commissioned Local Pastor Program from elders of all churches within this Presbytery. Elders from another Presbytery may make application through their respective sessions and with the approval of the COM of their home Presbytery; and, with the approval of the COM of Charlotte Presbytery, may participate in the program with the goal of being commissioned in their home Presbytery.

Course Completions:

Preparation shall include the following courses:

- A. Bible
- B. Reformed theology and Sacraments
- C. Presbyterian polity
- D. Preaching and teaching
- E. Leading Worship
- F. Pastoral Care
- G. Boundary Training

Successful completion of course requirements listed above includes the following:

1. The instructor will provide the COM with a list of participants receiving credit for the subject area, along with the questions and answers used in the evaluation. These questions and answers may be used by the COM in the examination process necessary for commissioning.
2. Upon completion of the preparation course work requirements, the participant(s) shall be examined by a committee appointed by the COM in the areas of personal faith, motives for seeking the commission, and the subject areas covered in the course work.
3. The COM has the right not to proceed with the commissioning of a participant if the requirements are not met in a satisfactory manner. With the guidance of the COM, those not recommended for commissioning shall be asked to consider prayerfully his/her place in the program. She/He shall be asked to perform specific tasks and/or address specific areas of concern that need to be pursued, or fulfilled, prior to being re-examined.

Annual Review of Commissioned Local Pastors:

The presbytery shall review the commission at least annually as described below:

- A. The submission of an annual report via Annual CLP Ministry Report
- B. The fulfillment of the continuing education requirement
- C. The approval by COM in report to Presbytery

Continuing Education:

One continuing education event shall be required per year. This continuing education event shall normally encompass ten (10) hours. All CLPs are encouraged to participate in events, workshops, conferences, or courses that will enhance their pastoral development. The COM may also plan and implement educational events of appropriate nature.

General Information:

1. The service of the CLP is a contractual relationship between the particular ministry, the Presbytery (through the COM) and the CLP. The contract will utilize the form provided by the COM and will be valid for up to one year but may be renewed twice before the commission is reviewed by the Presbytery. The services the CLP may provide can be done only at the ministry to which the CLP is commissioned. CLPs will be commissioned only to churches with a pastoral vacancy or a validated specialized ministry in accordance with 6-2.1001.
2. The COM will maintain a list of Elders that have completed the training and have been examined as ready to receive a commission. This list will be available to churches with a pastoral vacancy.
3. Elders that have completed the training and have been examined but not commissioned or whose commission has expired may request to be added to the Pulpit Supply list but are not approved to administer the sacraments or perform weddings.
4. Elders that have completed the training and have been examined whether they have been commissioned or not, must fulfill the continuing education requirement to remain eligible for consideration for a commission.
5. Any judicial case that might arise against a CLP will be handled on the Presbytery level, by the appropriate person or committee, and should never be dealt with by the session of the church served or the session of the CLP's home church.

6. During their service to a particular church the CLP should continue participation in the life and work of his/her own church to the extent possible. The Session of the home church should find ways to support CLPs as much as possible.

Structure:

COM recognizes and accepts online training through Dubuque Theological Seminary (www.UDTSlearning.net), any training offered by a neighboring Presbytery with prior approval from COM or through the Leadership Institute of Union Theological Seminary in the Pathways to Learning & Leadership courses.
