

## **Hamilton Fund Grant**

In 1980, Mrs. George Hamilton gave her home to Mecklenburg Presbytery that it might be sold and the interest from the investment used for the small churches of the presbytery. Mrs. Hamilton died in 1986, and memorial contributions were added to the principal of the fund. We are grateful for the life of Mrs. Hamilton and for her generosity. Hamilton Fund Grants assist congregations of **200 members or less** with new projects or programs that could not be included in the annual budget of their congregation. **Grants up to \$1000 nonrenewable. Rolling deadline.**
